Your ISACA ID will be a 6 or 7 digit number.

For individuals holding more than one certification, the renewal rate for your first two certifications is $45 (member) or $85 (non-member) each.
Any additional certifications renew for $25 (member) or $50 (non-member) each.

Chapter Dues are required to renew your membership if you are located within a designated chapter territory.

Some important reminders:
A minimum of 20 CPE hours are due per certification, per year.
A minimum 120 CPE hours per certification is required during your 3-year CPE cycle.
If you hold multiple certifications, your 3-year cycle may be different for each.

If it is the third year of your 3-year cycle, this column displays how many CPEs are required to renew.
If it is NOT the third year of your cycle, N/A will display.

In this example, it is the third year of the cycle for the CISA, CRISC and CGEIT Certifications, so 48 hours are required to meet the 120 hour 3-year CPE cycle.

To report your CPE hours, click this link or go to www.isaca.org/reportcpe, click “Certifications & CPE Management,” scroll down and click “Manage CPE” to view and add your CPE details.
